## Our replies are in blue colour

**Our response:** Hey, Hope you are doing good!

Here is the Homepage draft ready: <http://www.theresponsivewebdesigns.com/client/mustafa/>

Please have a look and let us know in case you have any comment. We will be continue inner pages and will show you soon. Regards

**Client Comments:** Hi, It looks like a great start.

My logo has blue and yellow in it; can you use that colour scheme a little bit more in the general web design, perhaps as background colours? &

The scrolling main pictures are good but could you add one or two of my actual squad photos as well as the stock photos.

**Our Response :** Sure we will use other colours and your squad photos as well.

---

**Client Comments :** My Sponsors' logos need to be on the home page if possible.

**Our Response :**Sponsors logos are on home page! Do you want them on the slider?

**Client Reply:** Can I have the sponsor logos just beneath the Slider possibly in the white shape.

With regards to the white shape at the bottom of the screen; would it be possible to recreate and use the wavy shape at the bottom of my logo?

**Our Response :** We will have the logo beneath the slider. We will let you know about the wavy shape.

**Client Comments :** Also could you try doing the wavy shape at the bottom of the home screen in the same colour blue as used in my logo? Thanks for managing to put that shape in by the way.

**Our Response :** Do you mean by footer? If yes then it can't be done on each page and there is a noise effect on footer and it will not be responsive

**Client Comments :** The wavy shape only appears when the home page first loads so I only wanted that to be blue not to have it at the bottom of every page.

**Our Response :** And about the bottom wavy shape, it cannot be blue unless the background of the section is blue. Do you want it in attached screenshot section? Apologies for asking again and again but we want to make sure so that it won't be a rework.

**Client Comments :** I have changed my mind about the blue wavy shape. Can you leave it as it is in white plea

---

**Client Comments :** Can I send you some content to load to the Coaches Blog page please?

**Our Response :** Yes please, send us 2 or 3 blogs.

**Client Comments :** Also the white border at the bottom is an odd shape (like a long shallow hill?) and I wasn't sure what that was supposed to look like? It looks a little out of place.

**Our Response :** Also about the white shape, it was supposed to be what it is, it gives a trendy look to the website. Let me know if don't like it, we will remove it.
