## Our replies are in blue colour

**Our Response:** Hello Adam,

Website draft is ready, here is link <http://www.responsivewebsitesdesign.com/client/adamgifford/>  
Hope you like it.

For the Experiences section you haven't provided the content so we have put the dummy text for now . Kindly provide the Experiences section content to put that up.

Kind Regards  
Credofy Team

**Client Comments:** Dear Rahul

The website looks great. There are a few changes that I would like to make but nothing major.

I am not going to able to get the changes to you until tomorrow. I hope this isn't a problem.

Thank you again

Adam

**Client Comments:** Hi Rahul

I have been able to make the changes which I have attached as a word document. Please let me know if you need more information.

I also wanted any messages written in the any contacts to be sent to [info@adamgiffordeducation.com](mailto:info@adamgiffordeducation.com).

Could you please take out the phone number section and in the final 'contact' section could you please change 'We'd' to Adam and 'We'll' to He'll.

One more change. Behind the section that lists what I have done, under 'About Adam' I wondered if I could have a faint large image of the attached logo (logo without writing) as a background behind the writing.

Thank you
